"How do I get the card?"

In order to get the card, you need to be a tenant in an AFI office building and send an email to **irina.gavrila@afi.global** with the number of cards needed for your employees

1 ABOUT AFI CLUB

AFI CLUB REGULATIONS

AFI CLUB IS A LOYALTY DISCOUNTS PROGRAM
DEVELOPED BY AFI ROMANIA AND
IS SUBJECT TO A SERIES OF REGULATIONS:

1 The card is issued by a provider through AFI Romania and exclusively to AFI's office tenants. The card has a unique serial number

2 The discounts are applied from Monday to Friday between 11:00 and 15:00 for the food retailers and for services according to written regulation

3 Locations enrolled in this program will display visibly a cardboard with the card in order to inform that they are members in this program

4 The card holder will present the card to the seller/ cashier **BEFORE** recording the purchases on the receipt. The discount is applied to the invoice/ receipt of the card's owner. The card will not be scanned, just shown to the cashier

5 The Organizer (AFI) reserves the right to change this regulation, any amendments being brought to the knowledge of the involved parties, or to cancel the card if the owner doesn't comply with the conditions stipulated in the Regulation of this campaign. The Regulation will be shared with the card holders

6 The discount can't be converted into cash, nor cumulated with other promotions, campaigns, or discounts available

7 The card is not transferable, and the obligation of issuing it belongs exclusively to the Organizer. The card will be sent to the Organizer (AFI) if the employee will no longer work in AFI's office buildings

8 The campaign takes place for an undetermined period
